

Suggested Second Grade Supplies for Fall 2018

Dear Families,

We are looking forward to welcoming your child to second grade in the fall. We wanted to provide you with a list of supplies that your child will be using in second grade. Although the school provides most of the supplies, it would be helpful if you could purchase the following. Please be sure that your child puts his/her name on their supplies.

1. small pencil box
2. 1 spiral notebook with 70 pages or more, the kind with a plastic cover are best (will travel to and from school)
3. 1 box of tissue
4. 1 composition book (not a spiral bound notebook)
5. pocket folder (plastic works best) to travel to and from school each day
6. backpack without wheels
7. colored pencils (8 pack)
8. a water bottle with a **pop up/down top**
9. Clorox/Lysol wipes
10. Hand sanitizer (small pump bottle)
11. 1 box of graham crackers
12. 2 black dry erase markers
13. 2 glue sticks

In the fall your child's teacher may ask for a few more additional items.

Have a wonderful summer!
