8:50 – 2:50pm

Students may enter at 8:45am

What a Wonderful Year!

Round Elementary is wrapping up another successful school year! Beginning with Open House and the Fall Fun Run and ending with the Science and Art Fair, Mackinac Island, and Field Day. It has been an amazing year!

We would like to thank all the countless PTO members, parents and volunteers that helped our students grow. We couldn't do it without you.

I would also like to extend a special thank you to the staff for all their efforts to make Round Elementary a positive, caring, and enriching environment.

We hope you can join us for the 4th grade “clap-out” at 10:30am on June 7th. The 4th graders really enjoy this long standing tradition. We are wishing all the fourth graders a wonderful new school year at Farms Intermediate!

Just a quick reminder, Hartland Consolidated Schools is accepting kindergarten enrollment packets at the Board of Education office and each of the elementary schools. Enrollment packets can also be downloaded from the district website at www.hartlandschools.us. Please sign up for a Kindergarten Observation Survey time on August 13th or 14th when you enroll.

Round Elementary hopes that the entire Hartland community enjoys the summer. We feel blessed to have been part of your child's education this year. We look forward to seeing everyone again next fall!

Sincerely,
Mrs. Dotty Hottum

Hartland Consolidated Schools 2018/2019 Kindergarten Registration

Hartland Consolidated Schools is accepting kindergarten enrollment packets at the Board of Education office and each elementary school during office hours. Enrollment packets are available at each of these locations or can be downloaded from our website at www.hartlandschools.us.

DID YOU KNOW – You may be eligible for free preschool!

The Great Start Readiness Program (GSRP) is Michigan's state-funded preschool program for four-year-old children with factors which may place them at risk of educational failure. The program is administered by the Michigan Department of Education, Office of Great Start. Funding is allocated to each intermediate school district to administer the program locally.

Research on preschool programs and specific research on GSRP indicates that children provided with a high-quality preschool experience show significant positive developmental differences when compared to children from the same backgrounds who did not attend a high-quality preschool program.

BIG NEWS!

A huge thank you to Mrs. Spencer and Mrs. Sabo for their many years of service to our children! We will be welcoming Mrs. Rogers to 4th grade, Mrs. Spiker to 2nd grade, and Mrs. Blake to 1st grade! We will be interviewing for the openings in Kindergarten and Second grade in early August.

Summer Sensations!

Dear Parent/s:

Hartland Consolidated Schools is excited to offer a summer literacy program designed to **accelerate** your child's reading and writing skills over the summer! Your child is being given the opportunity to participate in Summer Sensations. (Space is limited)

Summer Sensation is a four-week summer literacy program taught **by highly trained Hartland Teachers**. Summer Sensation is designed to use your child's individual strengths, interests and skills to improve his/her reading and writing abilities over the summer. A summer reading loss of 3 months is common for students who have experienced difficulty learning to read (Allington, 2006). After 3 summers, a child could be 1 full year behind. Summer Sensation is designed to prevent summer reading loss and increase student achievement.

Your child will receive **56 hours of instruction by a highly trained teacher for \$5.88/hour**. Summer Sensations will be taught **Monday - Thursday** from 8:30 am - 12:00 pm. from **July 8th – August 1st**. The curriculum will focus on reading, writing, speaking and listening. The class size will be 15 students per teacher in order to maximize individual and small group learning opportunities. Your child will receive 56 hours of intensive reading and writing instruction by a highly trained teacher for \$329.00.

Your child's instructional program will be based on the strengths and needs that they demonstrate on the assessments given the first day of school. The Summer Sensation Curriculum is in alignment with the district English Language Arts Curriculum and all State and Federal Requirements under Every Student Succeeds Act. Summer Sensation is a research-based intervention designed to accelerate the reading and writing progress of all children who participate.

Please Contact Hartland Community Education to enroll at (810) 626-2150 or on the web: www.hartlandcommunityed.com

Around the Round

Above: A big thank you to the veterans for their service! Below: Lunch with the Principal was Sweeeeet!
