## Spring is in the Air!

Thanks to your continued support and our amazing PTO, we had a marvelous March is Reading Month! Students enjoyed having different teachers read in their room, fun Fridays, popcorn, and Author Bryan Chick! Please consider volunteering for a PTO event or as a board member. We are already planning for the 22-23 school year. We all have busy lives, but Together Everyone Achieves More. We need you on the TEAM!

### NON-HOMESTEAD MILLAGE ELECTION – MAY 2, 2023

Please mark your calendars for the NON-Homestead Millage Election on May 2, 2023! The NON-Homestead Millage Proposal is a renewal and restoration of the current 18 mills charged on NON-Homestead properties last approved by voters in May 2018. This millage generates approximately \$5.5 Million dollars annually to support general operations, including teacher salaries, instructional materials and is necessary for HCS to receive it's full funding allotted by the State of Michigan. This millage has no effect on residential homestead property owners; however, it is essential that our taxpayers get out and vote. For more information, please visit the [www.hartlandschools.us](http://www.hartlandschools.us) and click on the NON-HOMESTEAD MILLAGE RENEWAL BANNER.

Thank you for all of the donations to support Clara's Hope! The Kindness Club collected 175 items for children in emergency foster care.

3<sup>rd</sup> and 4<sup>th</sup> grade students will be taking the MSTEP assessment. It is important to get a good night's sleep and a healthy breakfast during testing. Please encourage your child to do their best! It is an important measure of their learning and our instruction.

# PTO

The Round Elementary PTO plays a vital role in the education of our students. We feel extremely fortunate to have a caring, energetic group of parents that volunteer their time and efforts to give our students the best experience possible. It is an exciting time to be a volunteer in the school. Please consider volunteering for the PTO. The next meeting is on **Wednesday, April 12th at 7:00 pm** via Zoom. We hope to see you there!

## Did you know...

We had many special guests during March is Reading Month including, Author Bryan Chick, Superintendent Hughes, many Hartland High School Football Players and Representative Bob Bezotte!

## Safety in the Parking Lot!

Thank you to PTO for the new signs in the “kiss and go” lane! Please remember to pull all the way forward before stopping. If everyone pulls forward, three or four cars can let children out at the same time. PLEASE DRIVE SLOWLY AND CAUTIOUSLY and put the safety of our students first. This is particularly important during the winter.

The drop off lane is a “kiss and go lane”, please stay in your car, give them a kiss and a hug, send them out to the sidewalk on the right side of your car. Children exiting cars on the left hand side could be stepping out into traffic. If you need to help your child out of the car or they must exit on the left, then you need to park in the lot to ensure everyone’s safety. We need the line to move quickly so parents with other morning commitments can be on time.

Please remember to save the parking spaces labeled ‘handicapped’ for those with the appropriate legal designation. Thank you for your cooperation.

## End of the day pick up reminder!

We want to thank you for all you have done this fall to ensure we had a great start to the school year. We need to clarify the ‘end of the day procedures’ because there has been some confusion.

Please be aware that half of the office staff go to the gym for end of the day pick up at 3:40. At the same time, teachers send students being picked up to their lockers to get their things and head to the gym. Parents can pick students up in the gym at 3:45.

If you want to pick your child up between 3:40 and 3:50 you have 2 options:

1. Pick them up in the gym beginning at 3:45
2. Wait on the sidewalk for your child to exit the building at 3:50

We do not like to release students from the office between 3:40 and 3:50 unless it is an emergency. Please help us to make the end of the day an efficient and safe experience for everyone between 3:40 and 3:50 by choosing one of the above options

# Raising Kind Children:

## HOW TO GUIDE CHILDREN TO BE EMPATHETIC AND ETHICAL ACROSS EVERY SETTING

BY [LEAH SHAFER](#), ON FEBRUARY 27, 2017 2:12 PM

Families foster kindness and respect at home by setting expectations for manners, sharing, and helping with chores. And families *hope*, often with a tinge of worry, that children will continue those behaviors when parents and caregivers aren't nearby: in the school cafeteria, at a friend's house, or on Instagram and Snapchat.

But guiding children to be empathetic and ethical in their independent lives — even when no one is looking — can be more intentional than that. **Here, a set of parenting strategies for teaching children to think ethically, care about the people around them, and create positive change in the world.** These resources were developed by [Making Caring Common](#) (MCC), a project of the [Harvard Graduate School of Education](#).

### To guide ethical thinking:

- Discuss ethical dilemmas you have encountered at work, with friends, or running errands. Ask your children what they would have done in that situation.
- Talk about ethical dilemmas your children might face in the classroom, at lunch, or during recess. Brainstorm (and role-play) possible solutions.
- Encourage your children to see conflicts from another person's perspective. Discuss ways they can compromise between their needs and those of others.

### To foster concern for others:

- Encourage your children to really *listen* to siblings or peers when they are upset, especially if they don't initially understand that person's views.
- Ask children to consider the perspectives of people they don't usually talk to: a new student at school, a student who is often teased, a student experiencing family trouble, or a student of a different race or religion.
- Discuss hardships you see on the news, and talk about the experiences, challenges, and feelings of people who live in different places around the world.
- Complete this [circle of concern activity](#).

### To teach children to be change-makers:

- Inspire children to take action around issues that affect them and their peers, such as school uniform policies, students' rights, or the healthfulness of school lunches.
- Distinguish the importance of “doing with” others from “doing for” others. Encourage children to respond to community problems by *working with* and *listening to* a diverse group, rather than spearheading new initiatives without any guidance. This is particularly relevant for high school students seeking “community service” opportunities as part of their college-application process; parents can guide children to take a richer, more meaningful approach to volunteer work.
- Model that communal approach — and the importance of service. Volunteer together at a food drive, or set aside a day as a family to donate unwanted clothes and toys.
