Welcome Back! Happy 2019! We hope everyone had a wonderful break. We are very optimistic about the New Year. We have exciting learning opportunities and many fabulous events in the months to come.

Thank you to all of the parents and volunteers who helped with the holiday festivities before break. Without your help and dedication to our school, these events are not possible. In December, students enjoyed Santa Shop, gingerbread houses, holiday decorations and wonderful performances. 3rd grade took a special trip to Castaway Café and 4th grade washed away the cold with a celebration at the Hartland pool.

We would like to thank all of the families who baked cookies for the staff Cookie Walk. The Round staff appreciated your generous gift during the busy holiday season.

The end of the month brings the end of the first half of the year. Teachers will be administering district assessments to monitor student achievement and adjust instruction and interventions for each and every student. We look forward to seeing how far our children have grown. We have had an amazing first half of the year and we expect a great second half as well.

We will be administering the MSTEP assessment in 3rd and 4th grade during the month of May. Please try to avoid vacations during this important time.

If you use the “kiss and go” lane in the morning, please pull forward far enough to allow 3 cars to drop off children. We appreciate your support as we try to be safe and efficient in the morning.

Thank you to everyone in the Round School Family for helping make our children’s educational experiences positive.

Mrs. Dotty Hottum

PTO

The Round Elementary PTO plays a vital role in the education of our students. We feel extremely fortunate to have a caring, energetic group of parents that volunteer their time and efforts to give our students the best experience possible. It is an exciting time to be a volunteer in the school. Please consider volunteering for the PTO. The next meeting is on Wednesday, January 10th at 4:00 pm in the Round media center. We hope to see you there!

PTO Family Night

Round Elementary and the PTO are sponsoring a family night for Round students and families. The special night will be on Thursday, January 25th. More information will be coming home soon. It's always a fun evening and we look forward to sharing time together.

Absences

As mentioned in the September Newsletter, we are sending letters to parents of students who have been absent 5, 10, and 15 days (so far this year). This is consistent with school board policy and will be our practice for the foreseeable future. We know that student success is directly linked to student attendance. Round had 52 students, last year, who missed 15 or more days of school and were categorized by the State as chronically absent.

We know students get sick, have family commitments and other reasons why they may be absent. We appreciate all parents who follow the district protocol and keep their children home until they are fever free for 24 hours. We only ask you do your best to ensure your child has access to daily classroom instruction.

Here is a great article about the impact of attendance in Michigan:

The orientation will provide parents an opportunity to hear from kindergarten teachers about a “typical” school day and the kindergarten curriculum. In addition, administrators will be on hand to talk about school safety, transportation, school attendance areas, student nutrition, and answer questions. This will be a family-oriented event and you are encouraged to bring your kindergarten child(ren).

Hartland Consolidated Schools will be accepting kindergarten enrollment packets beginning February 1, 2019 at the Board of Education office and each elementary school office during office hours. Enrollment packets can also be downloaded from our website at www.hartlandschools.us.

Bundle Up! It's Getting Cold Outside!

Please make sure your child is dressed for the weather with warm coats, snow pants, hats, gloves and boots. Children go outside for recess 3 times a day for fresh air, frequent breaks and exercise.

The district cold weather policy is as follows:

- Wind chill 15 degrees or above = outdoor recess
- Wind chill between 0 and 15 degrees = a short recess 5 to 15 minutes long
- Wind chill below 0 degrees = inside recess

*Please be aware that children need
a doctor's note
to stay in for recess.*

Sensei News

Our students and staff have really embraced the Round Character Development Program! My hope for this email is for it to help you understand what your child is learning and the important part you can play in their development at home.

I think you will like the lesson for December. It was "Friendship". We need to teach children how to have friends and healthy relationships. Our training theme is ***"I am always a good friend and I expect the same from you!"***

Here is what they are learning and what you can do. Just start a short conversation with your child. A perfect time to do this is on the ride home or when dad/mom gets home from work:

1. First, ask them what the new training theme is: (You can help them a little but saying "I am always a good") That should help them!
2. Ask them **"Should you be courteous, kind and respectful to everyone?"** (The answer should be YES)
3. Then ask **"But, does everyone need to be your friend?"** and **"Does everyone deserve to be your friends?"** See how they answer these questions. (The answer should be NO to each. Ask them why?)

Explanation: You should be kind and courteous to EVERYONE. Even your enemies or people you do not care for. The reason not everyone needs to be your friend is because you will have many friends in your lifetime. They will come and go. This is healthy. What is not healthy is when kids are so desperate for friends they are devastated every time they lose one. Also, often kids play relationship games or bully through exclusion. They were told to never base their self-esteem or self-worth on who their friends are. Not everyone deserves your friendship because your friendship is special. You just do not give it away to anybody.

In the end, you cannot "make" friends. **You must first learn to be a good friend.** Then you will attract and have more friends than you ever imagined.

Safety in the Parking Lot!

The morning “drop off” time before school and afternoon “pick up” times have students and parents negotiating a very busy parking lot. PLEASE DRIVE SLOWLY AND CAUTIOUSLY and put the safety of our students first. This is particularly important during the winter.

The drop off lane is a “kiss and go lane”, please stay in your car, give them a kiss and a hug, send them out to the sidewalk on the right side of your car. Children exiting cars on the left hand side could be stepping out into traffic. If you need to help your child out of the car or they must exit on the left, then you need to park in the lot to ensure everyone’s safety. We need the line to move quickly so parents with other morning commitments can be on time.

Please remember to save the parking spaces labeled ‘handicapped’ for those with the appropriate legal designation. Thank you for your cooperation.

End of the day pick up reminder!

We want to thank you for all you have done this fall to ensure we had a great start to the school year. We need to clarify the ‘end of the day procedures’ because there has been some confusion.

Please be aware that half of the office staff go to the gym for end of the day pick up at 3:40. At the same time, teachers send students being picked up to their lockers to get their things and head to the gym. Parents can pick students up in the gym at 3:45.

If you want to pick your child up between 3:40 and 3:50 you have 2 options:

1. Pick them up in the gym beginning at 3:45
2. Sign them out in the office and wait on the sidewalk for your child to exit the building at 3:50

We do not like to release students from the office between 3:40 and 3:50 unless it is an emergency. Please help us to make the end of the day an efficient and safe experience for everyone between 3:40 and 3:50 by choosing one of the above options.
